Subject: CT Meeting with LDCs & EDCs on Gas Capacity Concepts

Hello all,

I mentioned on one of the calls last week that CT has reached out to our LDCs and EDCs (NU, UI) to discuss some of our gas capacity manager/capacity release ideas. We have set up a meeting time for this Thursday from 9am-noon here in Hartford. We set up the meeting in our CT-only capacity, not on behalf of the six state group, as I thought it would help our state staff advance our (CT) thinking on this issue. But I wanted to extend the invitation to any of you who may want to participate in person or on the phone-- please just email me and I will be happy to forward you the invite and call-in. Thanks!

Katie
