Subject: Re: April 22 Capacity Manager Meetings
Date: Thursday, April 17, 2014 2:00:48 PM
Attachments: [NESCOE Gas Team and Macquarie.ics](#)

Please also hold March 30th at 3pm for a call with a gas marketer that is not available to join us on the 22nd. This marketer, Macquarie, may also be interested in performing the tariff backstop role that the EDCs have informally proposed.
